The Endowment exists to promote GSLC's Mission and Vision Statements, which are "Following Christ, Growing in Faith, Sharing God's Love" and "Guided by God's Grace, and with a longing to grow our faith, we will be a church that helps people make a difference in our local communities, in the world and in our congregation."

Please tell us why this grant is being requested and how it furthers GSCL's Mission and Vision statements.

The Committee would also like a written report at the conclusion of your project detailing how the grant was supportive of your work and a summary of the project's achievements compared to your initial vision.

Attach additional page(s), if you wish. Please deliver to the church office in a sealed envelope addressed to the Endowment Committee. Our goal is to have a decision within four weeks.
